At the accession of James I, Britain was an isolated archipelago; a century later it had become a world-class intellectual,

commercial, and military center. In "A Monarchy Transformed", Kishlansky blends scholarship with insight and learning with imagination to profile Britain in the 17th century--an era of profound social, economic, and religious change.

This is the sixth volume in the (so far) ten-volume Penguin History of Britain series. As with many of these, this was a bit of a slog. I don't know why I keep doing this to myself. The author, Mark Kishlansky, professor of English and English History at Harvard, seems eminently qualified to make this an engaging book, but it really isn't.
